HUNTING HOURS

The Montana Fish and Game Commission has adopted and published Sunrise-Sunset Tables for determining hunting hours. (Revised, 1965). These tables are based on Mountain Standard Time. During periods that Daylight Saving Time is in effect, one (1) hour should be added to time indicated in the tables in order to determine proper hunting hours.

Open season for hunting shall be one-half (1/2) hour before sunrise until one-half (1/2) hour after sunset on each day as indicated by dates for each game district and Sunrise-Sunset Tables.

CALIBER

There are no caliber limitations.

It is prohibited to use any poisonous, explosive or deleterious substances on or in any arrowhead, bullet or projectile.

CLOSED AREAS

The entire state shall be closed to the hunting of all big game animals except as specified under the numbered district regulations. To insure a proper harvest of game, seasons may be closed on two days' notice or if necessary may be reopened.

All state game preserves and state parks and recreation areas shall be closed as posted.

GAME TAGS

Immediately after killing a game animal you must properly tag the game animal as directed on the tags.

GUIDE LAW

It is unlawful for any nonresident to hunt game animals on any land within any national forest, wilderness area, national game refuge, or state game range unless accompanied by a licensed outfitter, professional guide employed by a licensed outfitter, or resident guide, all of whom must hold an appropriate hunting or fishing license. (See Fish and Game regulations available from Fish and Game offices or personnel.) The hunter's hunting license must be signed and dated by the outfitter or resident guide as well as by the landowner who is granting permission to hunt big game on private land. All outfitters and guides must be at least 18 years of age.

Exception 1: Guide requirements have been waived by the Commission in certain deer and/or antelope districts as indicated on the accompanying regulations.

Exception 2: A landowner or his agent may authorize nonresidents to hunt on the landowner's fenced land or leased land without a guide by signing and dating the nonresident's hunting license.

IT IS UNLAWFUL TO:

hunt or take any game animal without having a valid license on your person;

transfer your license or use any license or tag issued to another person; shoot game animals on or from any public highway; shoot or attempt to shoot game animals with the aid of artificial light; shoot game animals or birds from an automobile or other self-propelled vehicle;

for persons under twelve (12) years of age to purchase hunting licenses and hunt game;

to use firearms in any manner in the hunting and/or killing of any game animal during an archery season;

to hunt game animals or game birds or to carry or discharge firearms or create any other unlawful disturbance in any legislative or Fish and Game Commission created game preserve;

to purchase more than one of the same kind of game licenses during one license year;

to use a self-propelled vehicle to concentrate, drive, rally, stir up or harass game, or fur-bearing animals.

With the exception of archers during special archery seasons, it shall be unlawful for any person to hunt big game animals or to accompany any hunter as an outfitter or guide without wearing exterior garments above the waist totaling not less than four hundred (400) square inches of hunter orange material, visible at all times while hunting.

Unless you have permission, it is a misdemeanor, punishable by fine or imprisonment or both to hunt on the enclosed land of another or to destroy any fence or other enclosure for the purpose of entering on the land of another.

VEHICLE TRAVEL RESTRICTIONS

Hunters must not drive off established roads or trails except to get big game that would otherwise be difficult to retrieve. Vehicles retrieving game must take the shortest routes to and from established roads or trails.

For further travel restrictions on federal and private land, check with the appropriate agency or landowner.
